ORDERING

There are no minimum order requirements. Most orders are shipped within 24 hours. If ordered items are out of stock, these will be backordered and filled at a later date unless otherwise directed by the customer. Sure-Loc will not be held liable for delays in shipment due to out of stock or other situations. Non-stock finishes and designs available with lead time and subject to minimum order.

FREIGHT CHARGES - CONTINENTAL U.S.

ORDER VALUE	FREIGHT CHARGES
Under \$100	\$13.00
\$100-\$250	\$20.00
\$251-\$600	\$26.00
Over \$600	No Charge*

No minimum order requirements. Most orders ship within 24 hours.

*No charge freight is \$1000 for the following items: 8', 10' & 12' oval closet rods, 72" & 96" barn door track systems, 96-120" & 96-150" adjustable closet rods, and shower curtain rods. Due to Fedex and UPS oversize shipping requirements, an extra \$15 per case will be applied to products with dimensions of 48-95" on orders less than \$1000. An extra charge of \$100 per case will apply to any products 96" or above on orders less than \$1000.

Shipping terms are F.O.B. from our Salt Lake City or Arkansas warehouse.

Standard shipments are sent by UPS Ground with freight charges included in the invoice. Other means of shipping, including overnight air, etc., can be requested and will be invoiced to the customer.

DEALER REQUIREMENTS

Prospective accounts must fill out a credit application and be approved for open account terms. Dealers must have a physical business location with sales showroom in which to display Sure-Loc items.

LIFETIME MECHANICAL WARRANTY

Sure-Loc products come with a lifetime warranty against manufacturing defects. This warranty covers any malfunction of the product mechanism or parts inasmuch as the original user occupies the premises where the hardware was originally installed. Products which have been damaged due to negligence, improper installation, misuse, or misalignment with the door and frame will not be covered under warranty.

FIVE YEAR FINISH WARRANTY

Sure-Loc products come with a five year finish warranty. The warranty covers any original defect in the product finish and/or normal wear and tear. It does not extend to products that are exposed to extreme weather conditions, salt and humidity, or products that are damaged due to negligence or exposed to harmful cleaning solutions, abrasives, or solvents. (10B) Oil-Rubbed Bronze and (11P) Vintage Bronze are "living finishes". The oxidized brown coating on these finishes can wear through with frequent use to reveal more of the copper sub-plating. The wear of the oxidized coating is normal and does not affect the integrity of the bronze plated finish. Any wearing of the oxidized coating is not covered under warranty.

WARRANTY CLAIMS

Warranties are limited to repair or replacement of the product at the discretion of Sure-Loc Hardware, Inc. On-sight repair, installation, or other related charges are not covered under warranty. Products must be returned with freight pre-paid to Sure-Loc Hardware, Inc. along with proof of purchase.

Sure-Loc Hardware, Inc. shall under no circumstances be liable for any consequential or incidental damages of any kind arising from the sale, handling, installation, or use of Sure-Loc products (some states do not allow exclusion of incidental damages, so this limitation may not apply).
